Action Requested by DTR Dispatch

25X1

1. The following items from DTR's dispatch [] are forwarded for your information and such action as may be indicated:

"4. LANGUAGE TRAINING: All station personnel are encouraged to study languages to the extent that some are studying []. It is possible that the Division may wish to have all field personnel take the language aptitude test before coming to the field as an aid in determining the appropriateness of such training. Emphasis given to language desirability is most encouraging. No screening here of facility before training but a proficient linguist who is a staff employee tests proficiency at close of each training cycle for each individual."

"8. [] Language training should be included as part of the regular [] training of [] personnel at their training site. This proposal should be picked up by LETS for consideration and discussion."
